Course number:	7303T2000Y	
Result:	PASS	FAIL

Assessment Form for the HTP Project Proposal

A Core Lecturer grades the HTP Project Proposal assignment of students, following the assessment form presented below. The Core Lecturer evaluates all partial grades and decides whether the definitive grade for the HTP Project Proposal is a Pass or Fail. The students receive the completed form with the provided grade explanation and are informed of the definitive grade. For the HTP Project Proposal, a resit is offered. For this resit, the same deadline applies as for the regular Project Proposal.

	Assessment:	Explanation:
Students clearly define, document, and reflect on individual tasks they are responsible for during the additional 168 hours required for the project, effectively linking these tasks to their individual and group learning outcomes.	<input type="checkbox"/> Excellent <input type="checkbox"/> Good <input type="checkbox"/> Satisfactory <input type="checkbox"/> Sufficient <input type="checkbox"/> Insufficient <input type="checkbox"/> Unacceptable	
Students demonstrate the ability to incorporate interdisciplinary approaches into the Capstone project.	<input type="checkbox"/> Excellent <input type="checkbox"/> Good <input type="checkbox"/> Satisfactory <input type="checkbox"/> Sufficient <input type="checkbox"/> Insufficient <input type="checkbox"/> Unacceptable	
Students show the ability to develop and execute a detailed plan for collecting additional data and apply mixed-methods	<input type="checkbox"/> Excellent <input type="checkbox"/> Good <input type="checkbox"/> Satisfactory <input type="checkbox"/> Sufficient	

approaches or advanced quantitative/qualitative methods relevant to their project goals.	<input type="checkbox"/> Insufficient <input type="checkbox"/> Unacceptable	
Students produce a project proposal that convincingly demonstrates the project's innovation, comprehensiveness, and intellectual rigor, effectively justifying the additional hours dedicated to the Capstone project.	<input type="checkbox"/> Excellent <input type="checkbox"/> Good <input type="checkbox"/> Satisfactory <input type="checkbox"/> Sufficient <input type="checkbox"/> Insufficient <input type="checkbox"/> Unacceptable
